Paul Chester Esquire, Collector of Customs, Salem, 29th August 1878

Sir,

I have the honor to transmit herewith, in duplicate, a letter from the Secretary to the Treasury, dated 13th January 1879, No. 2,

Enclosure No. 333

Lieutenant Commander R.N. Inspecting Officer of Coast Guard

Answered 7th Feb. 1879 No. 2

1 Enclosure

from which it appears that, as a fact, Special allowances were granted to the Establishment.

As to the 2nd. it appears from the Collector's 2nd letter (Nov: 1877) that the servants in question are servants of the Local Fund Board.

The grant proposed, to those drawing more than Rs. 15 is inadmissible under the Resolution of the Government of India, dated 25th February, etc 1871.

Since the servants are Local Fund servants any extra allowances to such of them as draw less than Rs. 15 a month must be

&c

13/13

be provided from Local Funds (Vide G.O. No 629 dated 17th Feb: 1877) —

Those allowances have not, it would seem from the Examiner's Note, been disbursed. Should either or any part of them, be sanctioned, they must be met from the 17 Lakhs placed at the disposal of the D.P.W. for Famine purposes.

The allowances other than Famine Batta, if granted, should not, under any circumstances,

&c

be allowed to go beyond the date of G.O. 4th Aug 1870.

The original application (Ltr 10765) was submitted in a very slipshod way and even now it is not clear how much of the amount in each case is to be considered as allowances, and how much the pay of the officers. But if the application is rejected the claims will be a point of no consequence. If not, Lawrence the point will have to be cleared up. If prima facie the case that the sums proposed are, in the case of the Bronze and Silver Crosses, additions to their pay, payable, in the case of the Prince the sum entered would seem to be their entire pay, as the amount is equal to the ordinary pay of the two Classes of Lieutenant.
