Asks whether Her Majesty the Queen in Council will declare in Mr Walsh's case that no regard be given to previous grants for pension the discretion allowed should be held to mean between pension followed by dismissal and dismissal

Proceedings.

Mr Secretary Grant transmits the declaration of Public Officers & the Hon'ble Mr Walsh will have no claim to future service towards pension. The salary must be the fair statement of the case, but the result of both is that while Mr Walsh will only get 1/3 of pension to which he would be entitled if he had retired, he will be receiving only half of pension & will be receiving pension for 20 years instead of 15 before he can claim pension. With reference to Letter No. 13, dated 8th Jany 1879 from the Accountant General, transmitting the declaration of Public Officers & Mr Walsh's case for pension, I am directed to request that the Secretary of State may be requested to issue an instruction immediately whether Mr Walsh is entitled to pension or not.
