GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

20th January 1879, No. 141.

Famine Relief.

Read the following paper:—

No. 349. From H. SEWELL, Esq., Collector of the Trichinopoly District, to H. S. THOMAS, Esq., Acting Secretary to Government, Revenue Department, dated 2nd January 1879, No. 2.

In checking the village relief bills submitted by village officers in Udiarpolliam Taluk, it was found necessary to institute local inquiries in a large number of cases. This the Tahsildar and the Revenue Inspector of the taluk finished but recently. The results of their examination are tabulated below:—

Amount as per village officers' bills.			Amount disallowed after inquiry.			Amount ascertained to be actually due.			Amount to be recovered from village officers in respect of bills already received.		
RS.	A.	P.	RS.	A.	P.	RS.	A.	P.	RS.	A.	P.
1,290	9	11	437	5	3	853	4	8	145	10	9

2. The reduction noted in the table above, Column 2, was the result principally of the rates charged by the village officers having had to be reduced with regard to the size of the vessel with which food was proved to have been distributed, the prices ruling at the stations and times concerned, the facility of obtaining supply for relief purposes, &c.

3. I have the honor to request that Government will be pleased to sanction a grant of Rs. 853-4-8 for disbursement to the village officers concerned, being the amount now ascertained to be due. There is not sufficient balance of former allotments to meet this charge; only Rs. 40-12-7 being on hand for gratuitous relief on 20th December 1878, out of which the orphans' expenses have to be borne till orders are received for their disposal.

4. As regards the amount of Rs. 145-10-9, recommended to be recovered from village officers, I doubt if it would be expedient or practicable to make them pay up, and request orders to write off the account. When their bills were paid, a margin of Rs. 163-3-1 in the aggregate was reserved to cover reductions which subsequent inquiries might prove necessary, but that amount has been exceeded.

No. 350.

ORDER THEREON, 20th January 1879, No. 141.

Miscellaneous.

HIS GRACE the Governor in Council desires that the Collector will state, with regard to the sum of Rs. 853-4-8, the orders of Government under which the village officers were called on to make disbursements for relief purposes from fund, other than sanctioned funds, placed

for the purpose in their hands. He will state the date up to which expenditure continued to take place under this system, and what the vouchers produced in support of it were.

2. It is observed that the Collector's letter shows no reason for writing off the sum of Rs. 145-10-0, which must be recovered from those concerned.
