GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

21st January 1879, No. 154.

Read the following paper:—

No. 373. Proceedings of the Board of Revenue, dated 19th December 1878, Miscellaneous No. 12,964.

Read the following letter from F. W. BLISS, Esq., Commissioner of Salt Revenue, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 14th December 1878, No. 2,030:—

I UNDERSTAND that an inquiry was held in France in 1851 under the orders of the National Assembly on the subjects of the production, consumption, and sale of salt, the results of which were published under the following title:—

“L' enquête législative faite en 1851 par l'Assemblée législative sur la production, la consommation et la vente des sels.”

2. This report is, I am told, now out of print. But a few copies could no doubt be procured through the Foreign Office and the French Government. I beg therefore to request that the Board will advise Government to endeavor to procure at least five copies, if so many are available, as it can hardly be but that such a report must contain much information of value.

SUBMITTED to Government with the request that copies of the report may be obtained, if possible.
