Owing to the difficulty now experienced in exercising a thorough supervision under Regulation VII of 1817 over the management of endowed chuttrams and other charitable institutions in the several districts, the Board of Revenue, in their Proceedings, dated 9th June 1876, No. 1,517, called upon all Collectors to ascertain and report whether the Local Fund Boards in their districts would be willing to undertake the general supervision of the said institutions under the provisions of Section 11 of Act IV of 1871. The letters read above are their replies.

2. The income from the endowments is not known in all cases, but where it is known or can be estimated the amount is given in the accompanying statement. The total number of the institutions in the Presidency not yet transferred to the Local Fund Boards is 1,131, with an approximate annual income of Rs. 2,06,209 so far as can be ascertained.

eight (income Rs. 20,178) endowed chuttrams situated in that circle, but that the Tellicherry Circle within the limits of which the other four (income Rs. 8,380) are situated decline the responsibility.

8. There are two chuttrams within the Municipal limits of Calicut and one in the Tellicherry Municipality; in the case of the latter, the Commissioners are willing to undertake the supervision of the institution, but the Commissioners of Calicut decline.

9. The Board observe that since the question was referred to Collectors, the Committee appointed by Government to consider the question of legislation for the protection of the property of religious institutions have proposed to appoint a Devasthanam Board, and also to vest them with powers to take charge of charitable institutions when transferred to them by Government, and that the whole matter is now under the consideration of Government. As a temporary transfer is not likely to be acceptable to Local Fund Boards or productive of any advantage, the Board resolve to take no action in the matter for the present.

10. A copy of these Proceedings will be submitted for the information of Government.

(A true Extract.)

(Signed) C. A. GALTON,
Acting Secretary.

3. The Local Fund Boards in the districts noted in the margin are willing to take charge of the institutions within the limits of their respective circles, but those of the several circles in Cuddapah, Chingleput, South Arcot, Trichinopoly and Salem have declined to undertake the control.

4. The Collector of Bellary reports that out of the fifteen (income Rs. 531) institutions in his district not hitherto transferred to the Local Fund Boards, they are willing to take charge of ten (income Rs. 437). Of the rest, three are situated in the Penukonda Circle and two in Bellary.

5. The Local Fund Board of Kurnool are willing to assume charge of only one out of the three (income Rs. 71) institutions in their circle, the remaining two (income Rs. 15) not being in good order.

6. The chuttrams in the district of the Nilgiris are already under the control of the Local Fund Board, excepting of course that situated within the Municipal limits of Ootacamund. There are on endowed chuttrams in Ganjam.

7. The Collector of Malabar states that of the thirty-two chuttrams in his district, the Calicut Circle Board are willing to assume charge of the twenty-
