No.  Revenue Department.

Proceedings of the Board of Revenue.

Dated 30th December 1878.

Read the following:-
No. 2820.

From The Collector, Kistna District
To The Secretary, Board of Revenue
Madras.

Sir.
I have the honor to report the appearance of another flight of locusts about the beginning of this month. It came from beyond the river, and passing through the Devarakota Zaminidary, proceeded towards the Niri villages. This is presumably another migration from the Kandamudi Hills. Some damage to crops is reported along the line of their march. The ryots confined their efforts to frightening the locusts away from their fields. Millions however are said to have perished from wind and cold and the residue must I think have been driven

run out to sea during the recent gale.
