NOTIFICATION.

ACCOUNTS.

SINLA, 7TH JUNE, 1879.

No. 1,034. The Governor-General in Council is pleased to rule that when a Government Factory charges any Department for work done, the charges should not be recovered in cash, but should be adjusted as follows:

The supplying Officer or Department should submit, in triplicate, an invoice of the quantity and price of the work done to the Officer supplied, who, on approving of the invoice, will countersign one copy which he will return to the supplying Officer. The latter, on the authority of that document, will take credit for the amount passed in it, and will inform the Accountant-General of the supplying Officer that he has done.

Of the other two copies of the invoice, the Officer supplied will retain one in his own Office, and the other he will submit to his Accountant-General.

DIRECTIONS.

The Superintendent of the Jail should submit in triplicate an invoice to the Officer supplied. The Officer supplied should countersign the duplicate, and return it to the Jail Superintendent, who will take credit for the amount of the invoice, and will inform the Accountant-General that he has done so. The Officer supplied should send the original invoice to the Accountant-General and should retain the triplicate as a record in his office.
