Communicated to the Collector of Malabar, who will give effect to the orders of Government as regards the establishments at Cochin.

2. The Board beg leave to invite the attention of Government to the proportion of the cost which the Committee (page 36) propose to charge to Law and Justice, and suggest that, in view of the amount of judicial work which will be performed, the distribution of charges requires reconsideration.

3. In regard to the proposed amalgamation of the offices of tahsildar and district munsif at Kollegal, which is understood to be a proposal to invest the tahsildar of that place with the powers of a district munsif, the Board are of opinion that, in the peculiar circumstances of the locality, the Committee's recommendation may be accepted. It is observed that the objections urged by the Collector were duly considered by the Committee (page 30), and the Board, agreeing in the conclusion arrived at, do not consider it necessary to refer the matter again to Mr. Leman.

of the charges may be accepted.

W.S.

1/5 the charges of the

1884

Note on para 3 of the Pro.

Of the Rs 426 left under the
Committee's proposals to be charged
to the revenue department 1/5 or
Rs 85 will under the general rule
for the distribution of district charges
go to Law & Justice. Thus more than
1/3 of the work is expended in the
2 days in the week; so the Com^{rs} per-
centage seems fair enough. In the original
they charge to the Judicial Establishments
the proposals may be accepted.

Note: Although the whole charge is
now Provincial, it seems desirable
to settle these proportions to avoid
future complications. The division might
even be 2/5 Rev, 1/5 Magisterial, 2/5 Civil. The
last two go to Law & Justice.

Communicated to the Judicial
Department with reference to the
orders in that Dept of 7th and 11th
January 1884 Nos 7 (Rev) and 57.

2. The proposal to amalgamate
the offices of Tahsil-dar and
District Munsiff at Kollegal has
the approval of Govt in this Dept.

3. The question raised in para 2
of the Board's Pro. will be considered
in the Judicial Dept. Of the revenue
cost of future establishments at
Cochin No 676, the Committee
have proposed to debit Rs 150 to
Judicial. 75% per cent of the total
charge seems to be a fair proportion
the same principle may be adopted in
respect of the establishments required
at Kollegal.
