From

To

C. A. Galtson Esq.
Secretary to the
Board of Revenue
Madras

Sir,

In reply to Board's Proceedings
No. 2793 dated 15 ultimo, I have the honor
to inform you that the average total
cultivation and collections entered in
the statements for June last are correct.
But the differences pointed out by the
Board between the statements for May
and June 1878 are owing partly to the
Tahsildar of Sattur having entered in
his accounts for April and May the
average

average of the 3 years ending 1877-78 under the
column "Average of the 3 years ending
1875-76," and partly to the Tahsildar of
Tangumudi having omitted 286 acres in
his accounts for April 1878. The error was
since discovered and rectified in the
statement for June 1878. A memo of alter-
ations to be made in the statements for
April and May 1878 is enclosed.

2. In the explanation given at
the foot of the statement for June 1878, Sri-
-villiputhur was entered by mistake instead
of Ottapicharam.
