GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

8th January 1879, No. 25.

Famine Relief.

Read the following paper:—

No. 73. From Assistant Surgeon RAMMAY RAY, late Medical Officer in charge of Famine Relief Hospitals, Coimbatore District, to G. STOKES, Esq., Additional Under-Secretary to Government, Revenue Department, dated Madras, 2nd January 1879.

I beg most respectfully to enclose, in original, a letter (to be obligingly returned), No. 6,555, dated 28th November last, from the Accountant-General, Madras, in which he states that the increase of Rs. 50, which His Grace the Governor in Council was pleased to grant me in the shape of an addition to my fixed travelling allowance in October last, was intended to supersede the mileage rate of travelling allowance which I have been drawing for the inspection of outlying hospitals since June last. I would respectfully point out that the interpretation put by the Accountant-General upon the Government orders, granting me the increase, does not, in my humble opinion, appear to be the correct one for the following reasons:—

1st.—I represented to Government in my application the pecuniary loss I had to sustain by being put in *superior* charge as Medical Officer in charge of all the Relief Hospitals in the District of Coimbatore, and the Government were, on the recommendation of the Collector, pleased to hold out hopes of giving me an increase (*vide* G.O., No. 1,987, of 20th September 1878).

2ndly.—In giving this increase of Rs. 50 it could not have been the intention of Government to take away the allowances which I had previously been drawing, since this course places me, as it actually did, in a worse position than before, by heavy pecuniary losses, and would thus defeat the very object which my application was meant to attain, as will be seen from paragraph 5 of my letter recorded in G.O., No. 2,299, of 11th November 1878.

3rdly.—That I had previously been drawing a fixed travelling allowance of Rs. 50 per month, as well as the mileage rate of travelling allowance for the inspection of outlying hospitals, sanctioned in G.O., No. 1,340, of 15th June 1878, having been brought to the notice of Government by me as well as by the Accountant-General in his letter, No. 6,078, dated 31st October 1878, the order passed *thereon* by His Grace the Governor in Council, in G.O., No. 2,299, of 11th November 1878, granting me "Rs. 50 per mensem *more than*" what I "*had previously been drawing,*" does not I venture to suppose admit of the unfavorable construction now put upon it by the Accountant-General.

* Directing the Accountant-General to pass the fixed travelling allowance of 100 Rs. per mensem, since I took charge of Dr. Morton's duties in addition to the mileage which Dr. Morton was allowed to draw and I had been drawing for the inspection of outlying hospitals.

(Signed) R. RAY.

2. In conclusion I venture to express a hope that in consideration of my most onerous and trying duties, to which the Collector and the Surgeon-General have amply testified, His Grace the Governor will be kindly pleased to pass such early and favorable orders* as to His Grace may seem fit.

Per D.H. No. 8.

From *Art. Linsen Railway Reg.*

Dated 2nd January 1878

It is submitted that D. R. R.
is entitled to the travelling allowance
which he claims. The facts are these
D. R. R. was app. on Dec 30
a month and travelling allowance
of 50 Rs. He was sent to Calicut
& had to undertake extensive
journeys of inspection in that
District. He claimed mileage 18.
Paisa a mile by road & 3 by
rail for all such journeys. This
Govt. refused to grant and directed
that he be limited to the 50 Rs.
a month. The matter was again
referred to Govt. by Mr. Madhukar
there the Inspector General said
where a compromise, suggested by
J. & Webster, viz that the fixed
travelling allowance of 50 Rs. sh.
be used to cover all travelling
expenses to Mithapollam & Tempore
but not to any other places in the
District, was arrived at and the
Colo. was ordered to satisfy

with andards. St. sup. & young
ad.

D^r Norton's bills accordingly;
in the same mileage was
presented to D^r Norton for such
journeys. D^r Norton's services
were disallowed with a D^r
Rumsey Ray was put on his
inspection work. His office
shows pay as an Asst. has been
100th & a fixed travelling
allowance of 50th a month
to earn which it is nearly necessary
that the office should travel five
miles in a month. When D^r
R.R. was put on inspection
work it was ordered that he
should be treated as D^r Norton was
in respect of travelling allowance.
After a little of this work D^r R.R.
applied for an increase of 100th
a month i.e. 100th a month
in addition to his 100th as pay
& 50th fixed travelling allowance.
Govt. refused & said he was too
but ~~for~~ ^{for} ~~him~~ ^{him} ~~Director~~ ^{Director} that

rate of 100th per annum

mistake of 50th he passed this
from the date of his taking up D^r
Norton's duties. But D^r R.R.
~~and the Accountant General~~
inquired whether the same was
was in addition to and exclusive
of the allowance for visiting outlying
posts and the Accountant
General whether the order superseded
the order under which D^r R.R.
draw the same allowance for
travelling as D^r Norton i.e. 5 miles.
The G.O. says it was intended to
give D^r Rumsey Ray ~~50th~~ 50th per
annum more than he had been
previously allowing and this has been
done in the shape of an addition to
his fixed travelling allowance.
At the Civil Comd. that nothing
more is needed. Therefore the
Accountant General refused to
allow D^r R.R. to draw 5 miles
as he had previously done. D^r R.R.
insists that the latter order
which purports to give more than
he had been previously allowing
