GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

21st January 1879, No. 158.

Read the following paper :—

No. 381. Proceedings of the Board of Revenue, dated 10th January 1879, No. 36.

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 20th December 1878, No. 1,359 :—

I HAVE the honor to enclose a copy of a letter to my address from the Revd. Mr. Howland, and to request that the Board will be good enough to permit me to furnish that gentleman with an iron plough free of charge. The value of a Swedish plough will be about Rupees 25. It is, I think, very desirable to introduce good ploughs where their working can be looked after by gentlemen interested and willing to take the necessary trouble.

Enclosure No. 1.

From REVEREND W. S. HOWLAND, to W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, dated 17th December 1878.

I HAVE been very much interested in the reports from the Bangalore and other Experimental Farms in respect to the use of foreign ploughs, and I am very anxious to have them tried in this section. Some of the cultivators here keep oxen that, I think, could easily draw a foreign plough.

I have understood that the Board of Revenue are willing to give assistance in such matters. If one or two ploughs could in any way be secured and thoroughly tested, I feel quite sure that there would, after a time, be a demand for them.

Can you send me a plough for trial? I should be only too glad to do all I can towards having it properly used and thoroughly tried. The land here consists mostly of what is called black cotton soil.

If a plough could be sent early in the year I could be teaching a few persons how to use it, and when seed time comes again it could be thoroughly tested.

If foreign ploughs could be introduced and the land cultivated as it is at Home, famines would be less frequent.

Our nearest rail-road station is Virudupati, some 25 miles south of Madras on the South Indian Rail-road.

Hoping to hear from you soon.
