Note

C No 756

With reference to the Honble
Members' remark on this
paper, the ground on which
it is proposed to transfer the
piece of land to the Municipality
free of assessment seems
to be that it is a nuisance
to the town and that its
utilization as proposed is
desirable on sanitary grounds
vide Collr's first letter bearing
in G.O. of 12th Nov 1883
No 1388. In cases of this
nature, assessment is not
usually demanded, and
the latest precedent will
be found in G.O. of 6th
inst No 185.

The piece of land
in question (4.86 acres) bears
an assessment of about
Rs 14;

The Comrada case is
not analogous. There
the land had been
reclaimed by the railway
at the cost of the Munici-
pality & moreover we
have not yet recd. the
sanction of India to
make it free of
assessment.
The land at Madras

but from its present condition
it does not seem likely that
it will be taken up ^{by any one} for
cultivation on paper.

Instructions are request-
ed as to whether the
grant in this case shd be
subject to assessment.

W

Harvey the Sullivan
is reported to be worth
\$20 an acre and I think
the Municipality may find
it called on to pay the
taxing assessment payable
thereon H.V.
