No 305/1

Proceedings of the Board of Revenue
Dated 20 Dec 1878.

Read G.O. R.D. dated 8 November 1878, No 2664, stating, with remark, that there can be no possible objection against the Head Assistant Collector of Salem purchasing a Dog-cart from the Leonard, Police Inspector of his Div.

Communicated to the Collector of Salem.

2 Although the Rules embodied in the Board's circular of 1868, based on the Resolution of the Govt of India of the 30 September 1868, No 1667, apply specifically only to transactions with natives, it was distinctly laid down in the order of the 23 May 1856 annexed to S.O. 385, that the spirit of the previous rules on the subject, and the object

object for which they were framed are opposed to pecuniary transactions between Civil Servants and any parties living under their authority within their jurisdiction or liable to have business before their Courts or Kutcherries, be such parties Native, East Indian or European. The Board considered that this order still held good and request to be informed whether they are mistaken.
