Proceedings of the Board of Revenue.
Dated 21st March 1878.

Read the following;

No. 30.

From

H. W. Bliss Esquire
Commissioner of Salt
Revenue

To

C. A. Galton Esquire
Ag Secretary to the
Board of Revenue

Sir

I am informed that
Mr. Maclean is now employed
on the preparation of a Revised
Edition of the Board's standing
orders.

2. If my information is correct,
I would venture to submit for the
consideration

consideration of the Board that
it would be highly advisable to
omit entirely from the revised
edition of their Standing orders
all those Orders ^{or parts of orders} which relate to
Salt or allude to the duties of
Collectors and their subordinates
in connection with the Salt Depart-
ment.

3. In future the Supervisors of
the manufacture and sale of salt
will form no part of the duty of
District Officers. It would seem, therefore,
a mere waste of money and trouble
to swell the bulk of the Board's
Standing Orders by the inclusion
therein of Standing Orders relating
to salt, to which not one person

sixty of those to whom the Book
will be supplied will ever have occa-
sion to refer.

4. In lieu thereof, I would propose
that I should undertake the consoli-
dation and revision of the Board's
Standing Orders relating to salt
for publication as a portion of the Revised
Salt Manual which it appears to me
will be an early requirement of the
Department in its reorganized shape.

5. Should this suggestion command
itself to the Board, I trust that
there will be no objection to placing
at my disposal such portion (if any)
of the Revised Edition of the Board's
Standing Orders as relates to salt
and as Mr. Maclean may have
already completed, and which
I have no doubt I should find
most

most useful.

Board of Revenue

Sir,

With reference to para 2 of the Board's
Proceedings, Miscellaneous No. 11348 dated
November 6, 1878, and recorded in the Govern-
ment Order marginally noted, I have the
honor to state that the Revised Edition of
the Board's Standing Orders is not of much
use in my office as it does not contain
the orders relating to Salt (vide Board's Pro-
ceedings, Miscellaneous No. 2837, dated 21st March
1878), and to request sanction for the
purchase of another copy of the Edition of
1870 together with the Supplements of the
