SUBMITTED to Government with reference to paragraph 18 of G.O., dated 7th January 1878, No. 39.

2. In their budgets for 1878-79, the Collectors not having made any provision for the purchase of "books and publications," the Board provided Rupees 8,500 with reference to the actuals as given in the Accountant-General's returns. But from the papers now received, the Board observe that the actuals shown in the Accountant-General's books relate to books, &c., supplied to Government Secretariats and to the Surgeon-General, Indian Medical Department, with which the Board have nothing to do.

3. The cost of books purchased for Collectors is debited to Imperial, they being intended for office use and not to encourage their publication, in which case alone they are chargeable to Provincial. The only books and periodicals purchased and charged to Provincial during 1876-77 in the departments under the control of the Board are those supplied to the Superintendent of Government Farms; a list of them is appended.

Accountant-General's Circular, No. 43, of 18th October 1870.
Accountant-General's Circular, No. I, of 12th April 1872.

4. In future the Board will provide in their Provincial Budget only for books supplied to the Superintendent of Government Farms.

5. Collectors, in furnishing annually with the budget a list of the b
chased for them in the preceding year, should enter in the list a remark
whether the cost is debitable to Imperial or Provincial.
