Sir

There is a small plot of land lying to the North of my property which I lately purchased from a Muselman woman named Hassan ammal. The plot in question bears the survey No B/542 and its extent is .19 of an acre.

From information received in your office, I learn that the plot in question was sold in 1876 for arrears of rent and purchased on behalf of Government there being no bidder.

I have the honor to request that this small piece of land may be made over to me upon whatever terms may be right.

It is completely isolated, being
entirely surrounded by land
belonging to me; and it could
therefore be of use to no one.

Stewart who now owns the "Lark
Hill House" property, unaware of this
circumstance. purchased it from
a Mahomedan woman, probably a
relative of the former owner of the land,
for Rs 40. he is unwilling to pro-
ceed against the seller for this small
sum, but desires to acquire the
plot from Government.

3. I beg to recommend its
grant to Colonel Shaw Stewart on
Putta tenure subject to an assessment
of 8 annas per acre under Rule
XXIII of the waste Land Rules.

The land is entirely surrounded by
private property. purchased by
him from Native ryots and its sale
by auction under the Rules would
be of little benefit either to Government
or to private parties.
