The Deputy Superintendent

Sir,

I have the honor to submit this my application for 2 months and 21 days Privilege leave, which I think is the amount I am entitled to, from the 15th of January 1879 or date of availing myself of the same, and respectfully request you will be good as to forward my application to the Superintendent for his favourable consideration and sanction.

2. As you are aware before returning to Survey duty, I informed You that I was anxious to get my leave, but that if I could be kept quiet in Office for a few months I would prefer my application till later on.

3. You kindly said You would try and arrange this for me, and it was settled that I should be employed in Office principally, after a

six months inspection in Callegal.

4/ As I see that that the Superintendent proposes to employ me on the Estero Hills, I am constrained to submit my application for Privilege leave, as though not absolutely ill, I feel any thing but fit for further hard work, without a little rest.

5/ You are aware that for the last 2 years I have been uninterruptedly employed on famine duty, and the nature of my work mostly no means light, and that after my return to the office I have been employed on inspection in Collegal Taluq, in the most unhealthy and feverish parts.

6/ Under these circumstances therefore I trust the Superintendent will kindly take my case into consideration and grant me the leave I seek.

I have the honor to be
Sir.
