Revenue Dept.

Memo. for the Secretary's information.

It is submitted that this Case can now be "lodged" in the following circumstances.

It was received in the Revenue Department 3 years ago, and was then given, it seems, to an Assistant in the Public Department for disposal. It now comes back to their desk under the circumstances noticed in the Endorsement of the G. G. No. 32 d/ 8th January 1879.

The Paper was originally received for transmission to the Government of India with reference to their letter recorded in G. G. 13th October 1875 No. 1495 and previous correspondence. The Statements were brought up to 31st December 1874.

The Statements for the years

× G. G. 11th Feb 1875 No. 218 Rev. Para 9 of the G. of I. Circular G. G. 27th Sept 1875 No. 1420 Rev.

five years were submitted to the Govt of India – Vide S.O. 27 of October 1875 no. 1530 para 1 and G.O 1st December 1875 no. 2073 R.R. (Chaman of Mad Boards Proc).

The Govt of India letter reconsidered vide S.O. 20th June 1877 no. 2053 acknowledges receipt of the returns ~~for 1875 & 1876~~ and gives certain instructions as to the mode of keeping them.

Board's Lrs no. 11442 of 15th Augt 1877 advises that certain quarterly return (ending June 1877) was submitted by the Board direct to the Govt of India, a copy being sent to the Govt for information. It is not clear under what orders this was done.

The forms above alluded to were superseded by those inscribed in the Govt of India letter recorded in Board's Proc. of 19th Octr 1877 no. 4777 and these were submitted to the Govt of India vide the marginal papers –

These statements show separately the numbers of

Letter of 25th March 1878 no. 479.
" of 21st May 1878

vessels newly built and of those first registered in each of the marginally noted years.

Thus it seems that the returns under reference – brought up to 31st December 1876 and prepared in the old forms – can now be of little or no use to the Government of India.

Hence the proposal – to 'lodge' them.
