No. 119. Proceedings of the Board of Revenue, dated 29th November 1878, No. 3,197.

Read the following letter from A. CRUICKSHANK, Esq., Collector of South Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 15th October 1878, No. 421 :—

I HAVE the honor to forward herewith copy of a Resolution passed by the Municipal Commissioners of Cuddalore at a meeting held on the 8th instant, and to request that the Board will be pleased to forward the application to Government with their support. I am aware that the Board declined on a former occasion to support a similar application, and would most respectfully request them to reconsider the matter, as I have no doubt that the maidan would be considerably improved under the supervision of the Commissioners. They should be prohibited from erecting any buildings on it and should be required to hand it over to Government without any compensation should Government ever decide that was required by them.

SUBMITTED for the favorable consideration of Government.

2. The Board see no objection to the proposal that the control of the maidan be transferred to the Municipal Commissioners for purposes of conservancy on the distinct understanding that no buildings are to be erected thereon or anything done to unfit it for its present use, which is that of a public ground for recreation; and that it must be given back, whenever required by Government without any claim to compensation being put forward.

It is to be noted that the District Court in *Chapman* was not only of the opinion that the defendant was not guilty of the crime charged, but also that the defendant was not guilty of any crime on the facts proved by the evidence. It is very significant that the District Court should have made such a finding.
