GOVERNMENT OF MADRAS.  
REVENUE DEPARTMENT.

10th January 1879, No. 41.

Read the following paper:—

No. 125. From A. O. HUME, Esq., C.B., Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Surveys), to the Chief Commissioner of Coorg, dated Calcutta, 31st December 1878, No. 529.

With reference to your Secretary's letter No. 243-4, dated the 3rd July last, I am directed to state that the Governor-General in Council is pleased to sanction the revised scale of establishment proposed for completing the survey operations in Coorg, with the modification that the allowance to the officer in charge of the survey should be Rs. 300 instead of Rs. 200 per mensem, as noted in the proposition statement. The reason for this increase is that the Superintendent of the Madras Revenue Survey recommended\* that the officer carrying on the Wynad survey should, for exercising general supervision over the Coorg survey operations, receive an allowance equal to the difference between the pay of his grade and that of the next higher grade at Madras survey rates, and that this difference in the case of Captain Freeth who is to have charge of the Coorg survey is Rs. 300. The total monthly cost of the establishment now sanctioned will therefore be Rs. 3,418-8-0 instead of Rs. 3,318-8-0, as shown in the tabular statement.

2. The Governor-General in Council, I am to say, is at the same time pleased to decide that the extra allowance of Rs. 200 per mensem to the Superintendent, covered by the sanction now conveyed, should be after the 30th September 1879, even if on that date the office work, including the printing of the maps, should not have been completed.

Surveys-

SIR,

With reference to your Secretary's letter No. 243 dated the 3<sup>rd</sup> July last, I am directed to state that the Governor General in Council is pleased to sanction the revised scale of Establishment proposed for completing the survey operations in Coorg, with the modification that the allowance to the Officer in charge of the survey should be Rupees 300/- instead of Rupees 200/- per mensem as noted in the Proposition Statement. The reason for this increase is that

For the purpose of the survey of the Coorg District, the Government of India has sanctioned the establishment of a Survey Officer in charge of the survey operations in Coorg, with an allowance of Rupees 300/- per mensem. The reason for this increase is that the Survey Officer in charge of the survey operations in Coorg is required to perform a large amount of work, and the allowance of Rupees 200/- per mensem is insufficient for the purpose.

that the Superintendent of the Madras Revenue Survey recommended that the officer carrying on the Wynnad Survey should, for exercising general supervision over the Coorg Survey operations, receive an allowance equal to the difference between the pay of his grade and that of the next higher grade at Madras Survey rates, and that this difference in the case of Captain Fresh who is to have charge of the Coorg Survey is Rupees 300/. The total monthly cost of the Establishment now sanctioned will therefore be Rupees 3418/8/- instead of Rupees 3318/8/- as shown in the Tabular Statement.

2. The Governor General in Council, I am to say, is at the same time pleased to decide that the extra allowance of Rupees 200/- per mensem to the Superintendent covered by the sanction now conveyed

conveyed should cease after the 30<sup>th</sup> September 1879 even if on that date the office work, including the printing of the maps, should not have been completed.
