Deputy Conservator Office
Camp Gingee
12th January 1879

No 10

426

From
The Sub Assistant Conservator
in Ch. of S. Arcot Dn
To
the Conservator of Forests
Central Office
Madras.

Sir,

As I find the sum of Rupees 300 sanctioned for South Arcot Dn for clearing the Jungle Growth to a width of 8 yards at Rs 15 per mile under VIII C. Demarcation is insufficient on the following grounds I request that immediate transfer of Rs 300 be awarded from VIII D "Plantations" where there will remain a probable savings of more than Rs 1000. This saving will be effected owing to curtailment of Estt and planting operations in Mullatar-bed.

2 It has been reported by the Ranger that the Coolies from Singarapettah and hill Villages refused to

to work at the feverish season and that he has incurred at an young scattered Jungle Rs 19— for half a mile and it is anticipated that it will cost Rs 45-0 per mile to clear a dense forest containing twisted bamboo clumps and big trees.

3. The main reason for such an excessive charge is because we have to employ the low-landers owing to most of the villages deserted in late famine. The excessive dew and fever impede the progress of the work. The men coolies demand not less than 4 annas a day.

I beg to remain &c.

sd/ T. Mahomed Ally
Sub. Asst. Conserv. of Forests
