GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

29th January 1879, No. 329 W.

General.
Account.

Read the following paper:—

No. 277. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Bellary, 11th January 1879, No. 1,187.

The Revenue Board are sanctioning various allotments from the Local Road Fund Reserve; both for expenditure by the Public Works Department and by other agency.

2. I have been instructed by G.O., No. 4,858 W, dated 27th December 1878, that one-third of unexpended balances of Local Fund allotments may be utilized after the 31st December 1878. But I have the honor to request I may be informed whether I am at liberty to authorize the expenditure sanctioned by the Board of Revenue, provided this does not exceed in the aggregate one-third of the funds that are available. Thus, supposing Rupees 50 to be sanctioned for repairs to a building it is of no use to authorize the expenditure of 10 Rupees as one-third of the appropriation. But the question is, whether I can authorize the execution of several such works, so long as the expenditure on all of them is not in excess of one-third of the sum that might be sanctioned by the Revenue Board.

No. 278. ORDER THEREON, 29th January 1879, No. 329 W.

EXPENDITURE may be incurred up to the extent of one-third of the aggregate available Local Fund balances in each month. The restriction does not extend to specific appropriations for individual works provided the whole amount expended does not exceed the above amount, and that care is taken that in estimating the available amount any deductions necessary in respect of short receipts of Local Funds are made.
