GOVERNMENT OF MADRAS
REVENUE DEPARTMENT.

10th January 1879, F.R. No. 43.

Famine Relief.

Read the following paper :—

No. 128. Endorsement of the Deputy Chief Engineer, Public Works Department, dated 30th December 1878, No. 5,808.

Read the following letter from the Superintending Engineer, Fourth Circle, to Colonel E. A. FOORD, R.E., Chief Engineer, Public Works Department, dated Coimbatore, 19th December 1878, No. 1,044-85.

I HAVE the honor to forward for sanction in the Famine Department the estimates shown in the enclosed list for repairs to roads in the Salem and Oosoor Divisions. The estimates for Salem Division are ten in number.

Of these, five have received no previous sanction, being commenced originally by the Revenue Department and handed over to the Public Works Department when orders to that effect were issued.

The sum shown as sanctioned are the balances received from the Revenue Department.

The remaining five are sanctioned works, the excesses being entirely due to famine, as the value of work done is less than the sanctioned estimate in each case.

Oosoor Division has two estimates. No. 1 is that for the Trunk Road No. I in Oosoor Taluk; the excess on this work is Rs. 494. The Divisional Officer explains that in District Engineer's provisional list of sanctions of 12th August 1878 Rupees 19,200 was allotted to this work, but on reference to the estimate he found Rupees 16,723 only had been sanctioned. The work was stopped on the discovery of this mistake, viz., in September, but an excess expenditure of Rupees 494 had already taken place.

No. 2 is road from Dharmapuri to Morappur; the excess on this work is entirely due to famine, the total sanctioned amount being Rupees 7,200, and that of expenditure, Rupees 10,054, sanction being required for the excess of Rupees 2,854.

The total sanctions required in the two divisions from Famine Funds are—

	Rs.
Salem Division	6,078
Oosoor Division	23,923

The works are all completed or stopped, and completion certificates are being sent in.

due to Famine, as the value of work done is less than the sanctioned estimate in each case.

Coimbatore Division has two estimates. No. 1. is that for the Trunk Road No. I in Coimbatore Taluk - the excess on this work is Rs 494; the Divisional Officer explains that in District Engineer's provisional list of sanctions of 12th August 1878 Rupees 19,200 was allotted to this work, but on reference to the estimate he found Rupees 16,723 only had been sanctioned, the work was stopped on the discovery of this mistake viz in September, but an excess expenditure of Rupees 494 had already taken place.

No. 2. is Road from Dharampury to Chokapure. the excess on this work is entirely due to Famine.

The total sanctioned amount being Rs 7200. and that expenditure Rs 10,054, sanctioned being required for the excess of Rs 2854.

The total sanctions required in

in the two Divisions from Famine Funds are.

4 3/6

Salem Division — Rs 6073

Coimbatore Division — Rs 23,923

The works are all completed or stopped and completion certificates are being sent in.
