GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

11th January 1879, No. 47.

Read the following papers :—

No. 136. From R. W. BARLOW, Esq., Commissioner of the Nilgiris, to the Secretary to Government, Revenue Department, dated Ootacamund, 10th December 1878, No. 246.

With reference to G.O., 21st November 1878, No. 1874, I have the honor to report that 5 tolahs of seed of *C. Calisaya* (var: *Ledyiriana*) were received from Java, of which 4 tolahs were sown in the Propagating House at Neddivattam and one tolah at Doddabetta. The quantity of seed received was too small to allow of any portion being distributed, but, if successful, plants will be distributed in small numbers.

2. I beg further to state that the Assistant Superintendent at Neddivattam remarks that although the seed arrived in good condition a good deal appears to have been gathered before ripe, which makes germination very doubtful.

No. 137. From the same Officer, dated Ootacamund, 16th December 1878, No. 263.

With reference to Official Memorandum, No. 245, of 13th instant, I have the honor to state that the *C. Calisaya* seed from Java was received in this office on the 21st October last, and was sent on the same day to the Assistant Superintendent at Neddivattam for immediate and careful experiment.
