Sir,

I have the honor to inform you that I have received an urgent application for 205 tons 1600 lbs or 400 bandies of Red wood Roots and Stumps from the Merchant who purchased the previous stock I had in the Depôts; to meet this demand I require a sum of Rupees 1820.13.4 for the collection of the quantity the rate being Rs 6. 9. 8. per 1600 lbs or per bandy. If this amount is given me I will be able to collect and dispose of the wood before the close of the present official year for the sum of Rs 4714. 4. 7 at Rs 16. 8. – per Ton thus realizing a profit of Rs 2893. 7. 3. in favor of Government

2 Referring to your letter No. 31 dated 20th Instant a sum of Rs 2290 – – is allotted as funds for this

Di

Division which Amount is inclusive of Rs 1099-10-2 the balance of the 3rd Quarter, the actual Amount therefore given me for this Current Quarter is Rupees 1190-5-10 in addition to the balance referred to by me. The Actual expenditure for the present Quarter Amounts to Rs 1473 as marginally noted there will therefore remain a balance of Rupees 817 from the total allotment of Rs 2290 this balance will not be sufficient to meet the Amount required for the Collection of Red wood referred to above. I therefore require a Special grant of Rupees 1003-13-4 which added to the balance of Rs 817 of the Current Quarter will make up the Rupees 1820-13-4. Under these Circumstances, I have to request sanction for utilizing the sum of Rs 817 as indicated above as well as for the Special grant of Rs 1003-13-4 which if accepted will enable me to make an early Collection and effect a speedy sale of the wood which will be a source of
