To Mr. Mayor H. A. Jopp. M.
Ch. Bellary State Railway
To the Consulting Engineer ^{5/1}
for Railways Madras.

Bellary January 31st 1879.

Sir In reply to your No 146 of yesterday's date I have the honor to state that since the order was received to hand over the Railway with stones and materials to the Public Works Department I have been in communication with that Department and arrangements have been made by it for measuring up Ballast and Building Stone - I am unable to say how long the P.W.D. may take to accomplish this - Having written Officer for Sub-ordinate left to me I am going out on Monday 30 proximo, to assist and to endeavour to hurry on the business as much as possible - I think that unless disputes arise or very great accuracy in measurement is required by the P.W.D.
