GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

4th March 1879, No. 534.

Read the following papers :—

No. 64. From R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 20th September 1878, No. 192.

I HAVE the honor to enclose a plan and estimate, the latter amounting to Rs. 700, for repairing No. 1 Bungalow of the Dodabetta Cinchona Plantations.

2. The District Engineer, in furnishing me with the above, remarks—"the house being in a very dilapidated state, I find it impossible to reduce the estimate." I therefore request the Government will be pleased to accord their sanction to the repairs being carried out at once as they are emergently necessary.

3. I am unable just now to state whether the cost can be met from "Savings" as there have already been some heavy charges incurred on account of "enumeration of trees," marking sub-divisions, &c., in connection with Captain Walker's report which have to be met from "Savings" from the current year's budget allotment, but I will try to do so later in the year.

No. 65. From R. W. BARLOW, Esq., Commissioner of the Nilgiris, to the Under-Secretary to Government, Revenue Department, dated Ootacamund, 15th February 1879, No. 36.

WITH reference to official memorandum, No. 196, dated 27th September last, I have the honor to report that there are no records in this office showing the age and original cost of No. 1 Bungalow, Dodabetta Cinchona Plantations, situated at the top of the Government Botanical Gardens. Of course it must have been built subsequent to 1862, and probably about that time.

2. The Manager of the Cinchona Department has always had free quarters supplied by the department, but owing to the dilapidated state of this building the present Manager, who occupied it for a month only, has had to shift into Ooty.

No. 66. ORDER THEREON, 4th March 1879, No. 534.

Miscellaneous.

THE repairs are sanctioned.

2. The Commissioner should see that the bungalow by the propagating houses is kept in proper order as it may shortly be required again for occupation.

SIR,

First reference to Official memorandum
to 196 dated 27th September last. I have the honor
to report that there are no records in this office
showing the age and original description of the
Didaketta, Chinichina Plantation, situated at the
top of the Government Botanical Gardens. Of course
it must have been built subsequent to 1862, and
