GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

13th January 1879, No. 58.

Famine Relief.

Read the following papers :—

No. 153. From J. G. HORSEFALL, Esq., Acting Collector of the Kistna District, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue (Famine) Department, dated Masulipatam, 10th August 1878, No. 1,710.

In reply to your confidential circular memorandum, No. 403, dated 18th July 1878, I have the honor to state that there are only five orphans remaining in this district—all in the Sub-Collector's division—viz., four females and one male; their names so far as can be ascertained together with all particulars are annexed in the subjoined statement.

2. I assume that the boy will be able to earn his own livelihood at the age of 16, and that the girls will also be marriageable at that age, and that the cost of maintaining them will not be less than Rs. 5 each per mensem.

3. I am informed that native gentlemen have taken charge of many orphans who would otherwise have become a charge upon Government, and that none are likely to come forward with regard to the children now on our hands.

4. The Rev. Mr. Unangst of the American Lutheran Mission, Guntur, has offered to take the first three on the list, and the remaining two should, I think, be forwarded to the Nellore District to be disposed of there.

5. I regret the delay that has occurred in replying to this reference, which reached me when on tour in the Nuzvid Division, and necessitated reference.

With reference to my confidential letter, No. 1,710, dated 10th August 1878, and the list accompanying it, I have the honor to report that the last two named orphans, females, have been since claimed by, and made over to, their brothers. Thus there are now three orphans only under the protection of the Government.

No. 160. From the same Officer, dated Kondapalli, 16th December 1878, No. 2,532.

With reference to paragraph 11 of G.O., No. 2,485, 6th December 1878, I have the honor to note that I have already reported in the marginally-quoted correspondence that there are only three orphans remaining in the protection of Government in this district—all in the Sub-Collector's Division—viz. —

- (1.) Kakerla Lotee, a female, aged 7 years, of Iperla, Narasaraopet Taluk.
- (2.) Kakerla Subba, male, 5 years, brother to above. Their parents died in the relief camp at Guntoor. No friends or relatives have come forward to claim the orphans, who are pariahs.
- (3.) Rani, female, 5 years, of Matrascha caste, but of what village unknown. She accompanied her father in the famine to Tenali, Repalli Taluk, where he died shortly after of small-pox. The Sub-Magistrate there has since taken care of the child for Government.

2. These three children have been from the beginning charged to Magisterial Contingencies, not Famine Funds. They will remain where they are pending orders pronounced.

3. That the American Lutheran Mission, Guntoor, has offered to take the orphans has already been brought to notice.

No. 161. ORDER THEREON, 13th January 1879, No. 58.

Miscellaneous.

His GRACE the Governor in Council resolves to authorize the Collector to make over to the American Mission, Guntoor, the three famine orphans in his charge, without however pledging or engaging Government to any expense, present or future, in regard to them.
