Proceedings of the Board of Revenue
Dated 16 January 1879
Read the following

No. 388.

From,

The Collector of Bellary

To

The Secretary to the
Board of Revenue
Madras.

Sir,

With reference to the proceedings of the Board of Revenue, No. 9247, dated 9 September last, I have the honor to report the circumstances under which the persons referred to were entertained as Sumaslahs when their age exceeded 25 years.

2. With regard to Ramakota Row Sumasta in the Harpenahally Talug, the Deputy Collector, Harpanahally Division, reports that Ramakota Row was first entertained as an attender in the office of the Deputy Collector on 1st November 1874 when

when his age was below 25 years, the date of his birth being 9th April 1852, and consequently he was appointed as Sunnadah in the Harpett Taluq on 9th January 1877.

3. With respect to K. Sama Row in the Dharmavaram Taluq, the Temporary Collector, Anantapur Division reports that Sama Row was appointed by Mr Glenny, the Sub Collector when he was in charge of the District, as the man was a Temporary Clerk under the Kalyanadroog Famine officer, and was afterwards acting for the Shroff in the office of the Deputy Tahsildar of Kalyandroog.

4. Regarding C. Chinnamappa Sunnadah in the office of the Deputy Tahsildar of Kalyandroog (not Sunnadah at Ramandroog) as specified in the margin of the proceedings, it appears that he had held the appointments of Rachwan or Ink maker and Darfterbund previous to his present appointment and his service in those appointments amounts to 24 years. He was also exempted from passing the General Test Examination under the Board's Proceedings No. 4107 dated 16 November 1871. In consideration of the above circumstances Mr Glenny when in charge of the Collectorate appointed him as Sunnadah in the Kalyandroog Deputy Tahsildar's office.

5. With regard to I. Narain Row, Sunnadah in the Kudligi Taluq, the Deputy Collector, Bellary Division reports that the correct age of the Sunnadah at the time of his appointment was 24 years and some months, with reference to his horoscope, which he forwards for reference, and which is herein enclosed. The Deputy Collector also states that the age mentioned in the health certificate furnished

992/3

furnished by the Medical Officer to Narain Row was a conjecture formed from merely looking at the Stomach, which was obviously open to error.

Bellary Collector's Office
23rd November 1878

I have &c.
