REVENUE DEPARTMENT.

8th March 1879, No. 594.

No. 203. READ THE FOLLOWING PAPER:—

Proceedings of the Board of Revenue, dated 21st February 1879, No. 493.

Read the following letter from H. W. BLISS, Esq., Commissioner of Salt Revenue, to J. STURROCK, Esq., Acting Secretary to the Board of Revenue, dated Rambha, 6th February 1879, No. 993:—

ADVERTING to G.O., 7th August 1878, No. 1,261, Revenue Department, sanctioning the entertainment of a temporary establishment at the Panchakali swamp near Paumben in the Madura District up to the end of February 1879, I have the honor to request that sanction may be obtained for continuing it for eight months more. The Salt Deputy Collector, Madura, reports that the sale of swamp salt in the locality is very slow as salt from the Attenkarai Division competes with it, the traders selling the latter on credit. He expects, however, that the demand for swamp salt will increase as the people are beginning to see that it is cheaper than Attenkarai salt which is charged with the cost of carriage from the division.

2. During the last season 4,918 maunds of swamp salt were collected and from 31st October last (when the sales commenced) up to the end of December 266 maunds were sold.

Submitted to Government with the recommendation that sanction be accorded to the continued employment of the temporary establishment for a further period of eight months.
