Calcutta, the 1st February 1879.

SIR,

IN paragraph 2 of the Circular Resolution by the Government of India, in the Financial Department, No. 3917, dated the 8th November last, it is laid down that books, stationery, and other stores should, as far as practicable, be obtained independently of the India Office by local purchase, or direct from Europe or America, from the manufacturer or through private agents.

2. As the amounts which will be expended upon these articles during next year are small, no additional provision in the Budget for 1879-80 will be needed. But with reference to paragraph 11 of the Resolution quoted above, I am directed to request that, with the Budget Estimate for 1880-81 and subsequent years, a subsidiary statement may be submitted shewing separately the estimated outlay on account of books and stores expected to be purchased from Europe and America. The outlay on this account should be entered under the proper Budget heads, viz.,—

A. VI. C.—Stores, tools, and plant.

Miscellaneous, IX. C.—Other charges (for books and periodicals).

B. IIIa.—Stationery.

I have the honour to be,

SIR,

Your most obedient Servant,
