GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

8th March 1879, No. 598.

— Famine Relief.

No. 211. READ THE FOLLOWING PAPER:—

From H. P. GORDON, Esq., Acting Collector of Bellary, to J. H. GARSTIN, Esq., Acting Secretary to Government, Revenue Department, dated 4th March 1879, No. 64.

With reference to the Proceedings of Government, dated 29th January last, I have the honor to state that the emigration of British subjects into the Nizam's territories is almost entirely confined to the Sub-Division.

2. The Sub-Collector attributes the movement to the following reasons:—
- (1.) The lull in agricultural operations, consequent upon the completion of the Moongari or early dry-crop harvest.
 - (2.) To the poor condition of the Hingary or white-cholum crop.
 - (3.) To a rumour of sickness among the poor of the cooly class in the western taluks of this district and in the Nizam's dominions, giving rise to an impression that coolies were in demand, and would receive liberal wages in grain in the Nizam's country.

3. From a report received from the Tahsildar of Adoni, the number of emigrants is estimated to be 2,000 from 97 villages of that taluk. It is added that some are already returning as the rates of wages in the Nizam's dominions have fallen and the movement is expected to cease in about a month.

4. It is noteworthy that there has been scarcely any emigration from the villages in the Harpanahalli Division.
