No. 231. ORDER THEREON, 23rd January 1879, No. 273 W.

ORDERED that the compiled statement be forwarded to the Government of India.

2. The return sent in by the Superintendent of the Workshops in the first instance was inaccurate, as shown by the Revenue Board in their latest Proceedings. More care must be taken to supply Government with perfectly correct statements; the result of the present mistake having been to delay the compilation of the statement for the Government of India for four and a half months.
