No. 16. Famine.

Cuddalore Collector's Office.
13th January 1879.

From The Acting Collector
of Cuddalore.

To The Secretary to Government.
Revenue Department.
Fort St. George.

Sir,

In finally auditing the Famine accounts of Adani Taluq, it was discovered that a sum of Rs. 3633-7-10 being the repayments of advances made to paymasters was kept separately and re-issued for expenditure on Relief Works by the Tahsildar, without special sanction having been obtained. The consequence of this is, that the expenditure exceeds the grant allotted to this Taluq.

2. This objectionable practice existed only in this Taluq. All the repayments from the paymasters, fines collected from Mairistries &c., sale proceeds of grain, and transfers of famine funds from other taluqs were kept separately in the treasury crediting them in a separate book kept for that purpose. Whenever there were no sanctioned allotments for the Taluq payments were made out of the said sum to Coolies on Relief Works.

3. I have therefore the honor to request that you

This matter is similar in nature to those already disposed of. G.O. No 2292 30th Sep: 78 No 2789 15th Nov: No 65 28th January 78 No 945 2nd April. The account sent General December 27 as a form account transfer to which a sanction for payment of Rs 3634. 7. 10 has been accordingly.

It is noted however that this objectionable practice was promoted by the present Dy. Commr. of Cuddapah ^{himself} and that it occurred not only in the Taluk of Kadiri but also in those of Maddur, Madhanapalle, Rayachoti & Vailpudi and that the amount so irregularly spent by these officers already sanctioned amounts amounting amount to Rs 93,903 Rs. This is the total sum of irregular expenditure which has come to light in the Kadiri Taluk.
