Copy of Testimonial of V. Sivamulu.

Being one of the only two who passed the Translation Test, Higher Grade, in 1877, in the Northern Circars, Sivamulu leapt at once from 5th Writer to Translator. He has passed all the Tests required for the post of Deputy Collector; and this at an age when he must be content to wait some time at least before he can hope for promotion to such high appointments.

Meanwhile I have found him not only one of the brightest of the rising generation in the officers with which I have been concerned in the Godavery District, but also one of the most industrious, & thorough, & without quite unassuming.

I hope he will rise very high in the public service: he deserves to do so if he will continue as he has begun. (Signed) F. Brandt.
