Local Funds.

Read the following paper :—

No. 181. *Proceedings of the Board of Revenue, dated 14th December 1878, No. 3354.*

Read G.O., Revenue Department, dated 9th December 1878, F.R. No. 2491.

The Board observe that the foregoing Order conflicts with G.O., dated 29th November 1878, No. 2135, in the Financial Department, in which the views of the Board adverse to a general restriction of expenditure of Local Funds on Local Fund Works of a similar nature proposed by the Examiner were approved. The Board have recently addressed* Government again on the question deprecating the stoppage of Local Fund works, and have since received G.O., dated 13th December 1878, No. 2208, the Financial Department, calling upon them to report on certain proposals of the Government of India relative to the adjustment of the cost of works executed for famine relief against Local Funds from which they gather that it is not the intention of the Government of India that Local Fund Budget allotments should be appropriated to meet the cost of famine outlay to the extent contemplated in the above order; it is not clear whether the instructions now given are intended to be of general application, but the Board would respectfully suggest that, pending the issue of the final orders of Government on the recent proposals of the Government of India, such Local Fund works as may be necessary should be allowed to proceed.

ORDER THEREON, 30th January 1879, No. 160.

Recorded with reference to G.Os., 8th January 1879, No. 15, 11th January 1879, No. 34, and 21st January 1879, No. 21.

2. It is however noted that the recent orders, directing that adjustments in regard to famine expenditure on Local Fund works should be made up to the 31st December 1878, must be taken into account by the Board in dealing with Regular Estimates for the current year appertaining to the Budgets for 1879-80 of Circles in Districts affected by the Famine.
