Read the following paper :—

No. 176. Endorsement of the Consulting Engineer for Railways, dated Madras, 28th January 1879, No. 63.

From A. CRUICKSHANK, Esq., Collector of South Arcot, to the Consulting Engineer for Railways, dated Cudalore, 24th January 1879, No. 5.

With reference to your letter, No. 42, dated 13th instant, I have the honor to forward herewith a draft notification, under Section 4 of the Land Acquisition Act X of 1870, for the protection of the officers of the South Indian Railway Company now employed in surveying and taking levels for the Pondicherry Branch Railway, and request that you will be good enough to submit it for approval and publication by Government. I feel unauthorised to forward the same direct to Government as requested by you, as I find that the similar draft notice for the Carnatic Railway line issued in 1873 was submitted by the then collector, Mr. Sullivan, on a special requisition from Government to do so (*vide* G.O. No. 841, of 13th August 1873, Public Department).

2. In anticipation of the publication of such notice by Government, I have directed the Tahsildar of Villupuram to see that no obstruction is offered by the ryots to the officers employed in the survey of the line, and that all marks placed by them are carefully preserved.

3. In the draft notification I have included the Tahsildar and Deputy Tahsildar of Villupuram among the officers intended to be authorised to enter upon the lands needed, as they may also have to make entry on private property required.

SUBMITTED to Government for publication of the notification in the *Fort St. George Gazette*.

(Signed) J. H. M. SHAW-STEWART, Colonel, R.E.,
Consulting Engineer for Railways.
