PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th January 1879.

ON examining the Demand, Collection, and Balance Statements for November last, received from all districts except Bellary and Tinnevely from which they are still due, it is observed that the Land Revenue arrear balance at the end of the month amounted to Rupees 67,51,580 against Rupees 75,73,119, at its commencement. The arrear is still very heavy in the first four of the districts noted in the margin. In North Arcot the arrear collections during the month were very small, being only Rupees 86,612. The Collectors concerned are requested to pay particular attention to the collection of arrears. The current balances amount to Rupees 9,05,434. They are high in the districts noted below:—

They will also be requested to use their best endeavours not to let the current kists fall into arrear.
