received from all districts but Bellary, Madura and Tinnevely, for which returns are still wanting, it is observed that the Land-revenue arrear balance has not been reduced to any considerable extent during the month; the arrear is very heavy in the first

three districts noted in the margin. The serious attention of all Collectors is drawn to the subject.

2. The current balances amount to Rupees 99,607 and chiefly concern the districts noted below. In the other districts ryotwar kists have not yet commenced:—
