GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

13th January 1879.

Read the following paper:—

No. 200. From C. BERNARD, Esq.,
Member of the Council, Home Department,
Government of Madras, dated Fort St. George, 13th January 1879.

A CASE has recently been brought before the Civil authorities had proposed to let off flood waters, the object of which was to cause much damage and loss. It seems desirable to order the destruction of any railway whether it be the property of the State or a private Company, without first taking the advice of some responsible engineering authorities charged with the duty of consulting the Government.

2. I am accordingly directed to inform the Governor in Council, you will be instructed in the sense of these remarks, respecting the property of the State, the matter is promptly referred to the Government.

Officiating Secretary to the Government (Public Works Department), to the Secretary to the Government, 13th January 1879, No. 2-26.

FORM, the 4th January 1879.

SIR,

A CASE has been brought to the notice of the Government of India, in which authorities had proposed to cut a railway embankment object of letting off flood waters, the overflow of which to cause much damage and loss. It seems desirable that orders should be instructed not to order the destruction of any embankment or bridge, or other large work, whether it be the of the State or of a private company, without first taking of some responsible professional officer. As a rule, those authorities charged with the control of the work concern be consulted.

2. I am accordingly direct that with the permission of *His Grace the Secy in Council* you will be good enough to call officers to be instructed in the sense of these remarks. Use of difference of opinion respecting the property of the point at issue should, if time permit, be promptly referred to the Govt. of India for decision.

the honour to be,

SIR,

Most obedient Servant,
