With reference to your post note No. 2764 dated 16th November 1878, to the Cont. Order No. 2764 dated 5th November 1878, I have the honor to state that the appointment in question appears to have been made by the late Subcollector Mr. Harding. There is nothing in this Office to show on what grounds the appointment was made. But I beg to point out that the Commr. in question was employed in the Educational Department before he was appointed as a Commr. in the Revenue Department.

A list showing the details of his service is forwarded herewith. It may be observed from the enclosed copy of C. Tunkataramiah's letter that his age when he was at first appointed as Headmaster of Rapur Local Fund School was 23 years and 10 months and that he has been continuously employed ever since in pensionable service.

Whether the School at Rapur was a middle or higher class, may be ascertained from the Dy. Inspector of Schools & Police Range and this will show whether Tunkataramiah's service at that time was of a nature to entitle him to pension or not.

But I may add that the rule referred to by the Assistant General is not absolutely prohibitive (vide Notification dated 25th July 1871 on Page 1231 of the *Lath. George Gazette* dated 25th July 1871).

Yours faithfully
