Proceedings of Government, Public Works Department, dated 13th March 1879, No. 759-W.

ABSTRACT.—Communicating to Superintending Engineer, 4th Circle, Government Order, Revenue Department, sanctioning repairs to No. 1 Bungalow of the Dodabetta Chinchona Plantations.

REFERRED to the Accountant-General with the request that he will name the source from which the charge can be met.

From A. C. TUPP, Esq., Officiating Accountant-General, Madras, to J. H. GARSTIN, Esq., Acting Secretary to Government, Revenue Department, dated Fort St. George, 19th March 1879, No. 102-I.D.

WITH reference to Proceedings of Government in the Public Works Department, No. 759-W, of the 13th instant, referred for my report, I have the honor to state that the actual expenditure in connection with the Government Chinchona Plantations amounted to Rs. 74,858 only during the first eleven months of the current year against the Budget grant of Rs. 91,800. There is thus a sufficient saving to meet the cost of repairs sanctioned in the Government Order under reference, which is herewith returned.

No. 73. ORDER THEREON, 5th April 1879, No. 797.

Miscellaneous.

THE charge will be met from savings in the Budget grant for Chinchona Plantations, General.

REVENUE DEPARTMENT.

4th March 1879, No. 534.

Read the following papers :—

No. 64. From R. W. BARLOW, Esq., Commissioner of the Nilgiris, to C. G. MASTER, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 20th September 1878, No. 192.

I HAVE the honor to enclose a plan and estimate, the latter amounting to Rs. 700, for repairing No. 1 Bungalow of the Dodabetta Cinchona Plantations.

2. The District Engineer, in furnishing me with the above, remarks—"the house being in a very dilapidated state, I find it impossible to reduce the estimate." I therefore request the Government will be pleased to accord their sanction to the repairs being carried out at once as they are emergently necessary.

3. I am unable just now to state whether the cost can be met from "Savings" as there have already been some heavy charges incurred on account of "enumeration of trees," marking sub-divisions, &c., in connection with Captain Walker's report which have to be met from "Savings" from the current year's budget allotment, but I will try to do so later in the year.

No. 65. From R. W. BARLOW, Esq., Commissioner of the Nilgiris, to the Under-Secretary to Government, Revenue Department, dated Ootacamund, 15th February 1879, No. 36.

WITH reference to official memorandum, No. 196, dated 27th September last, I have the honor to report that there are no records in this office showing the age and original cost of No. 1 Bungalow, Dodabetta Cinchona Plantations, situated at the top of the Government Botanical Gardens. Of course it must have been built subsequent to 1862, and probably about that time.

2. The Manager of the Cinchona Department has always had free quarters supplied by the department, but owing to the dilapidated state of this building the present Manager, who occupied it for a month only, has had to shift into Ooty.

No. 66. ORDER THEREON, 4th March 1879, No. 534.

Miscellaneous.

THE repairs are sanctioned.

2. The Commissioner should see that the bungalow by the propagating houses is kept in proper order as it may shortly be required again for occupation.
