Proceedings of the Board of Revenue, dated 16th November 1878, No. 3,062.

Read the following letter from H. J. STOKES, Esq., Acting Collector of Tanjore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Vallam, 31st October 1878, No. 3,909 :—

I HAVE the honor to submit, for the Board's reconsideration and orders, the question as to whether applications for appointments in the Revenue Department should be stamped under the Court Fees Act, or not. In their Order, dated 12th December 1870, No. 7,074, the Board have expressed their opinion that such applications do not come under Article I, Clause b, Schedule II of the Court Fees Act, and the argument adduced was that they were not presented to the Collector, &c., "in his executive capacity," inasmuch as these words occurring in that clause qualify the word "Collector" as well as the word "Magistrate." It seems to me, however, from the context and punctuation that these words qualify only the word "Magistrate" and not the words Collector or any Revenue Officer, and it is not plain in what capacity other than executive a Collector, Magistrate or other subordinate officer acts when he receives and disposes of a petition for an appointment. Besides, if the words "in his executive capacity" qualify "Collector," they should also qualify Civil and Criminal Courts, which does not appear to be the case. I am inclined to think therefore that these applications fall within the category of those referred to in the clause aforesaid and are liable to a stamp of 8 annas each.

THE Board concur with the Collector in considering that applications for appointments fall under Article I (b), Schedule II, Act VII of 1870, and should bear a stamp of 8 annas.
