GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

14th December 1878, No. 2233.

Municipal—Budget.

Read the following paper:—

No. 96. *From J. D. B. GRIBBLE, Esq., Acting President of the Municipal Commission, Cuddapah, to the Acting Chief Secretary to Government, dated Cuddapah, 5th November 1878, No. 309.*

Government in G.O., No. 1693, dated 23rd September 1878, having pronounced that the levy of tax on arts, professions, &c., for the current year in this Municipality, would be illegal, I have the honor to forward herewith a revised Budget for 1878-79 for the approval and sanction of His Grace the Governor in Council.

2. The sum of Rupees 4,500, estimated as receipts on account of tax on trades, &c., has been struck out, and Rupees 1,659, remained unpaid by the toll-gate contractor at the close of the year 1877-78, has been included in Statement I; the difference, Rupees 2,841, has been met by making the following reductions in Statement II:—Rupees 1,000 have been decreased from the amount allotted for expending on the construction of the market, two pukka sheds are already completed, and four rows of temporary sheds have been erected in this year. The construction of beef-slaughter-house, for which a provision of Rupees 1,000 was made, has also been given up for want of funds. A sum of Rupees 341 has been struck out from the head of Conservancy, which the Commissioners have provided for purchasing six rubbish and night-soil carts at Madras. The other items stand the same as entered in the Budget Estimate submitted hitherto.

No. 97. ORDER THEREON, 14th December 1878, No. 2233.

The revised Budget, submitted with the above letter, is sanctioned, the reductions proposed being judicious. The increase of Rupees 1,659 anticipated from tolls should, however, have been more fully explained. The Budget, as finally revised, will stand as shown below, compared with the original estimates:—
