ABSTRACT.—Passing orders with regard to concessions to be granted to the abkari renters of certain districts in respect of Government claims standing against them.

THE foregoing papers will be communicated to the Collectors concerned for information and guidance.

2. The Government have directed that duty on issues only for the whole period of the last lease should be claimed in lieu of their guarantee from the excise renters of Nellore, Chingleput, North Arcot, South Arcot, Trichinopoly, and Nilgiris, and in the case of Vizagapatam have agreed to remit one half of the excess of the guaranteed minimum over duty on issues, the remission in all cases however being subject to a set-off of the amount of the duty lost by excess allowance for wastage. The actual wastage incurred by the renters of these districts in Fasli 1285 and 1286 was calculated in the Board's office from materials gathered from the annual Administration Reports and that for Fasli 1287 was estimated with reference to the rate for Fasli 1286 on the issues for that year. In order that the exact amount of the remission to be granted in each case may be arrived at Collectors will calculate the actual allowance of 5 per cent. wastage granted to the renters in their districts during the three years of the past lease and ascertain the actual wastage incurred by them during that period and will then set-off the duty on the difference as above directed. The remissions thus granted for each district will be reported for the Board's information.

3. In the Nilgiri District the saving in the wastage is in excess of the difference between the duty on issues and the guaranteed minimum, and consequently there will be no remission.
