GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

16th December 1878, No. 4,770 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 174. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Madras, 5th December 1878, No. 4,569.

I HAVE the honor to forward herewith a comparative statement submitted by the Divisional Officer, Chingleput, showing an excess expenditure of Rupees 2,500 on the estimate of Rupees 3,660 for repairing Taluk Cutcherry at Tiruvallur sanctioned in G.O., No. 2,154, of 13th May 1878. The necessary remarks are entered in the statement against the various items explaining the necessity for the additional outlay required, which, it will be observed, is due chiefly to work rendered necessary since the original estimate was prepared. As the work is in rapid progress, I have the honor to request early sanction to the extra sum of Rupees 2,500 required for the same.

2. You are aware of the exceptional nature of the work, the object of which is to save, if possible, the building which, owing to the treacherous nature of sub-soil on which it is founded, was cracked in many parts.

No. 175. ORDER THEREON, 16th December 1878, No. 4,770 W.

THE revised estimate of Rupees 6,160 for protective works in connection with the Taluk Cutcherry at Tiruvallur is sanctioned.

2. Funds for the work will be found when the revised budgets recently called for come under consideration.

3. This sanction has been registered as Provincial No. 168 B of 1878-79.
