PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th October 1878.

Read the following Proceedings of the Madras Government, dated 8th October 1878,
No. 2,449, Revenue Department:—

Read Proceedings of the Madras Government, dated 26th September 1878, No. 738-I,
Public Works Department:—

ABSTRACT.—Areas of land irrigated in Fash 1236 in the Eastern and Central
Deltas, Godavari.—The note of the Chief Engineer for Irrigation forwarding the
explanation and other papers regarding the discrepancies between the —, ordered to
be forwarded to the Revenue Department.

COMMUNICATED to the Board of Revenue in continuation of G.O., dated 3rd
August 1878, No. 1,887.

(True Extract.)

(Signed) L. A. CAMPBELL,
Under Secretary to Government.

In communicating G.O., dated 3rd August 1878, No. 1,887, Revenue Department,
to the Collector, the fact that he had already replied to Board's Proceedings, dated 5th
July 1877, No. 3,148, in his letter embodied in G.O., dated 18th January 1878, No. 96,
in which delay is apparently most complained of, Zemindari villages are very nume-
rous, and that the Curnams of such villages do not seem to be much influenced by the
orders of the Revenue authorities and simply will not furnish the information
required when it is wanted. The Collector has promised to endeavour to correct
errors as far as possible if specific instances of failure on the part of village officers
are brought to his notice, but considers that it will be a work of time to ensure any
approach to accuracy. The only remedy is to strengthen the Collector's hands by
placing the Curnams in Zemindaries more immediately under the control of the Rev-
enue authorities, for which purpose a draft Bill was furnished by the Board in Pro-
ceedings, dated 27th October 1875, No. 2,975, but up to this time no orders have
been passed thereon. The Board can only suggest that action should be taken in the
matter without further delay.
