The Honourable W. Huddleston

Chief Secy to the Government of Madras
Sir

Referring to your letter No. 114 of date
18 January 1876, and to the reply of this Society of date
17 May of that year, upon the subject of the donation
by the Government of Madras, to this Society, of a copy
of Major Reddome's Flora Sylvatica of Southern India,
I now do myself the honor to enquire whether there is
available a copy of the Manual of Major Reddome's
work. This did not accompany the very handsome
gift of the Government of Madras; and the Council of the Society
will be very grateful for a copy, which will greatly enhance
the value, for purposes of reference, of the work in question.

I have the honor to be, Sir

Yours most obediently

Saml A. Berryman F.L.S.
Vice-President
