Mis No 1877 Revenue Dept.

Proceedings of the Board of Revenue
Dated 24th February 1879.

No 317. Read the following

From

The Collector of Nellore

To
The Secretary to the Board
of Revenue, Madras.

Sir,

I have the honor to request sanction for the employment first of a record Gumasta on Rs 15 for the Nellore Taluq for 8 months and second of an extra gumasta on the same pay for the Nellore Town Sub Magistrate for six months from the beginning of next official year. The necessity for entertaining these men is so pressing that I should ask for permission to do so at once were it not that, as stated in my letter dated 11th instant No 117 no funds are

are available.

2. The need of a gumasta to arrange the records in the Taluk Cutchery at Villore is even greater than at Rajpur and under Government order dated 3rd December 1938 No. 1739. The records are in such confusion that lamentable delay is caused thereby in my office as well as the Tahsildar's. When I call for former papers in any case there is nearly always great delay whilst a search is being made, and it is a common thing for me to be informed actually that the papers without cannot be found. The records of recent years have never been arranged.

3. An additional gumastah for the Town Sub Magistrate's office was sanctioned for 6 months in Government order dated 15 July 1938 No. 1071. The special reason was the increased ^{work} caused by the Famine. This increase of work has not yet ceased. It was considered necessary to give the

710
Town Sub Magistrate the gumasta when his file contained 1412 cases in a year. Last year from January to December it contained 1156 and the diminution was chiefly in petty nuisance cases which entail comparatively little work. I submit lists showing the number of cases filed in each year since 1873 and in each month of 1878, and I have satisfied myself that the 2 gumastas who are employed to do the work here as in the offices of other sub Magistrates where the work is far lighter cannot get through it.

Villore Cutchery
28th January 1878

I have &c
Signed, J. Groves
Collector.

Submitted to Government with the request that a temporary record gumasta for the Villore Taluk for a period of 8 months on 15 Rs per mensem and a temporary additional Clerk for

for the Mallow town Submagistrate for
6 months on a similar salary may be
sanctioned.

It is proposed to entertain these
extra hands from the commencement
of the next official year and the
charge can be met from the reserve for
temporary establishment provided in the
budget for 1879-80.
