Report of the Chief Engineer of the
Irrigation District, California, for the
year ending March 31, 1880. The
report is divided into two parts, the
first part being a general statement of
the work of the district, and the second
part being a detailed statement of the
work of the various divisions of the
district. The report is a valuable
document, and is of great interest to
all who are concerned with the
Irrigation District, California.
